A voluptuous ruby red wine with rich, full flavors. Aromas of black cherry, mocha and toasty oak mingle with subtle tones of forest floor. Rich black cherry flavors make way for barrel spice, vanilla and raspberry on the midpalate. Elegant and soft with a long, dusty cocoa finish, this Pinot Noir pairs with crisp roast duck, wild salmon or a gourmet burger hot off the grill.

Our Pinot Noir fruit is sourced from farmers in the cool coastal regions of central California. Summers here are marked by morning fog that gives way to long afternoons of abundant sunshine and maritime breezes. Pinot Noir grown in this temperate section of the Central Coast appellation exhibits the varietal characteristics of bright red fruit, spice and balanced acidity.
