WINE DESCRIPTION
Mossback Central Coast Pinot Noir is a voluptuous ruby red wine with rich, full flavors. Aromas of black cherry, mocha and toasty oak mingle with subtle tones of forest floor. Rich black cherry flavors make way for barrel spice, vanilla and raspberry on the midpalate. Elegant and soft with a long, dusty cocoa finish, this Pinot Noir pairs with crisp roast duck, wild salmon or a gourmet burger hot off the grill.

BRAND STORY
The term MOSSBACK is an old-time expression for farmers, folks who are both connected to their roots and to the land. The Giguiere family has a strong, storied tradition of farming out here in the Dunnigan Hills, which is why we hold these folks in high regard. Our label conjures images of the mossy stones, tree trunks and end posts so prevalent in California's cool coastal regions, home to some of the most renowned grape growers in the world. These wines are a nod to those men and women, who understand more than anyone the delicate relationship between vine, climate and soil.

WINEMAKING NOTES
Our Pinot Noir fruit is sourced from farmers in the cool coastal regions of central California. Summers here are marked by morning fog that gives way to long afternoons of abundant sunshine and maritime breezes. Pinot Noir grown in this temperate section of the Central Coast appellation exhibits the varietal characteristics of bright red fruit, spice and balanced acidity.
