Barrel Aging:
Eighteen months in a blend of American, French and Hungarian oak.

TA: 5.76 g/L pH: 3.90
Alcohol: 13.9%
Production: 3,020 cases

The Wine
This unique Petite/Petit blend is smooth, seamless and well-balanced. Petite Sirah’s bright blackberry and boysenberry flavors are a counterpoint to Petit Verdot’s brambly, spicy, dark chocolate notes. Fine dusty tannins are balanced by juicy red fruit flavors. Pair this crowd-pleasing red blend with a standing rib roast, pulled pork sliders or a vegetable lasagna.

The Story
Due east of Napa, tucked away in northern California’s rolling Dunnigan Hills, is a little town called Zamora. But back in the late 1800’s, folks around here used to call it Black’s Station. At its height, this hub founded by J.J. Black boasted a hotel, two stores, a jail, blacksmith shops and a town hall. Today we grow our grapes just three miles from Zamora. We like to think that they carry with them the character and frontier-style of that old town.
