The Wine

A classic Cabernet Sauvignon that exhibits aromas of olive tapenade, raspberry and mocha with hints of vanilla. Layers of toast, juicy red berries and chocolate flavors are complemented by round soft tannins that carry through to the delightfully long finish. This easy drinking Cabernet is perfect with a meat lover's pizza, big juicy burger or barbecued tri-tip.

The Story

Due east of Napa, tucked away in northern California's rolling Dunnigan Hills, is a little town called Zamora. But back in the late 1800's, folks around here used to call it Black's Station. At its height, this hub founded by J.J. Black boasted a hotel, two stores, a jail, blacksmith shops and a town hall. Today we grow our grapes in Zamora. We like to think that they carry with them the character and frontier-style of that old town.
