**WINE** 🍷 The delicate peach color and complex flavors of the 2020 Tinto Rey Rosé are the result of 100% co-fermentation of Tempranillo, Tannat and Verdejo. Intense aromas of peach, nectarine and key lime lead to full flavors of strawberry, cream soda, saffras and tangerine. There is a satisfying weight to the wine that balances the zip of fresh fruit flavors. The crisp, clean finish sets up the palate for another delicious sip. This bright, lively Estate Bottled Rose is delicious year-round as an aperitif and has enough body to pair with shellfish and poultry.

**STORY** 👑 Tinto Rey means Red King and is the name of our Spanish-centric wine brand. The Dunnigan Hills appellation is uniquely suited for grapes that thrive in a Mediterranean climate. Warm days, gravelly soil, little rainfall; these are ideal conditions for Tempranillo, Tannat, Graciano and Verdejo. The spicy, full-flavored Tinto Rey wines truly showcase the distinctive terroir of our vineyards.

**CELLAR** 🌿 The 2020 Tinto Rey Rosé is a blend of Matchbook Estate Grown Tempranillo, Tannat and Verdejo. This wine is unique because it was 100% co-fermented, meaning all three varietals were crushed and fermented together for better flavor integration. Our winemakers cold fermented (50°F) the 2020 Rosé in stainless steel tanks to preserve the just-picked fresh fruit flavors. The fermentation was arrested at .5% residual sugar to retain a touch of the natural sweetness of the grapes and add viscosity. A wonderfully crisp and refreshing wine that delivers loads of flavor.
