

Born In Spain, Raised In California

ESTATE GROWN & BOTTLED | DUNNIGAN HILLS

TINTO REY

2024 ROSÉ

The Wine

2024 Tinto Rey Rosé is a unique blend of estate fruit farmed sustainably under California Rules Certified Green. Co-fermentation of Tempranillo, Tannat and Verdejo creates juicy cherry and ripe strawberry notes, giving way to subtle hints of butter cream and cola. These richer undertones bring a soft roundness, adding depth without overwhelming the wine's refreshing core. What sets this rosé apart is its harmony. Bright acidity meets creamy texture in perfect balance, delivering crisp fruit flavors with just a touch of fruit sweetness. The finish is clean, leaving your palate ready for the next glass. Tinto Rey Rosé brings sophistication without the fuss. It's lighter in style, but never light on flavor.

The Story

Tinto Rey means Red King and is the name of our Spanish-centric wine brand. The Dunnigan Hills appellation is uniquely suited for grapes that thrive in a Mediterranean climate. Warm days, gravelly soil, little rainfall; these are ideal conditions for Tempranillo, Tannat, Graciano and Verdejo. The spicy, full-flavored Tinto Rey wines truly showcase the distinctive terroir of our vineyards.

The Cellar

Tinto Rey Rosé is a blend of Matchbook Estate Grown Tempranillo, Tannat and Verdejo. Our Rosé is always 100% co-fermented, meaning all three varietals were crushed and fermented together for better flavor integration. Our winemakers cold fermented (50°F) the 2023 Rosé in stainless steel tanks to preserve the just-picked fresh fruit flavors. Fermentation was arrested at .5% residual sugar to retain a touch of the natural sweetness of the grapes and add viscosity for a wonderfully crisp and refreshing wine that delivers loads of flavor.

The Fermentation & Aging
